Spring Fever

This Ohio Spring has been sunny and 75 to snowy and freezing. Those sunny days may have gotten you in the field, but if those chilly times got to your seed, do not stress!

Call us at Scott-Reinhard Seed and we can help you with replants, if you need seed!

"Spring showers bring May flowers"
- Thomas Tusser

National Beef Month

This month is National Beef Month. We want to thank our cattle growers for all of their hard work they do everyday to produce beef to feed the world.

According to the USDA, beef exports around the world was up 4% in March compared to one year prior. Way to go US Farmers! For more information on beef outlooks, check out usda.gov.

Good, Better, Best

What does your foliar program look like? We have products that we have in the "Good, Better, Best" program to help you reach your goals this year.

Call us or stop in the office to ask us about the Onward Max product, the Octane product and even the KSB product.

- Some products are;
- Onward Max
 - KSB
 - Borpak
